Another new feature of internet BANKING  
at Wainwright Credit Union!

Using the text messaging  
feature on your cell phone,  
stay connected to your money.

# 24/7

Any time, anywhere, if you have texting abilities on your cell phone, you can check your account balances and the 5 most recent transactions on your account. If you lose your cell phone anyone who finds it can only do the same. They will not have access to perform transactions on your account or even see account numbers.

You must use internet BANKING to set up this feature. **If you are not an internet BANKING user, ask for or download a copy of our "How to do your banking anyTIME anyWHERE" booklet that gives detailed instructions on all internet BANKING transactions. Come in and see us and we'll get you started on internet BANKING today!**

If you wish to see a demonstration on what mobile BANKING can do to enhance your banking options or if you want to see how it works, just click on this banner, found on all pages of our internet BANKING site.
